

FINANCIAL REPORT

“

In the beginning I didn't think I could complete it to the end and realized I had it in me to do it. It was a good feeling.

◆ Youth Exploration Apprentice, age 15

I wouldn't be where I am w/o Youth Outreach. I was homeless and aged out of foster care. Now I am married, college grad, am a mentor. Without their support I doubt that I could have done it.

◆ Past Youth Outreach youth, age 27
